

MICHIGAN DEPARTMENT OF CIVIL SERVICE
JOB SPECIFICATION

CARPENTER

JOB DESCRIPTION

Employees in this job function as skilled carpenters that participate in and oversee carpentry projects in state office buildings, prisons, hospitals, and other facilities.

There are three classifications in this job.

Position Code Title – Carpenter-E

Carpenter 8

This is the intermediate level. The employee performs carpentry work under the direction of a higher level carpenter while developing carpentry skills and performing other essential trade duties.

Carpenter E9

This is the experienced level. The employee performs a full range of carpenter assignments using independent judgment to make decisions requiring the application of procedures and practices to specific work situations.

Position Code Title – Carpenter-A

Carpenter 10

This is the advanced level. The employee functions as a crew leader, overseeing the work of other employees or prisoner crews, and performs journey level carpenter assignments.

NOTE: Employees generally progress through this series to the experienced-level based on satisfactory performance and possession of the required experience.

JOB DUTIES

NOTE: The job duties listed are typical examples of the work performed by positions in this job classification. Not all duties assigned to every position are included, nor is it expected that all positions will be assigned every duty.

Constructs, erects, alters, repairs, and maintains doors, roofs, windows, furniture, cabinets, openscape offices, screens, frames, scaffolds, concrete forms, and other items using hand and power tools such as drills, jointers, sanders, saws, and other equipment of the carpentry trade.

Removes walls, installs partitions and steps; alters builds or rooms; or add to existing structures using hand and power tools.

CARPENTER

PAGE No. 2

Installs and finishes dry wall, wood paneling, siding, and other prefabricated materials.

Maintains and repairs hand or power tools and equipment of the carpentry trade by cleaning, oiling, setting, welding, or other processes.

Marks, cuts, and shapes materials to prescribed measurements; assemble by fastening with nails, staples, dowels, or glue.

Installs wood, ceramic, resilient, or cement floors; installs glass, ceiling tile, windows and doors.

Fits, installs, and maintains finished hardware such as locks and kick plates.

Studies blueprints, sketches, and work orders to determine materials and equipment required for assigned work.

May assist in training lower level carpenters and others.

Performs related work appropriate to the classification as assigned.

Additional Job Duties

Carpenter 10 (Crew Leader)

Assigns work to lower level carpenters, trades helpers, prisoners, or facility residents.

Provides instruction and training in the proper method and process necessary to carry out carpentry assignments.

Reviews job performance by observing and critiquing work techniques and completed assignments.

Lays out, schedules, assigns, and inspects work to assure conformance to specifications.

Estimates time, materials, and labor required for projects; requisitions and/or purchases materials, tools, and equipment needed.

Inspects structures and fixtures to determine what carpentry repairs are needed.

Participates in building maintenance budget planning.

Maintains records on work projects completed; prepares written reports related to work assignments.

Performs more complex, difficult, or non-routine carpentry assignments requiring specialized knowledge or skill.
